This is the body of your abstract. It must fit on one page. Please save in PDF format and submit by emailing to AAC2024@AnomalousAbsorption.org. All abstracts must be received no later than May 9th, 2024.

You may have references and/or images in your abstract, but they must fit within the one page limit.¹ Do not change the font sizes on this template. Please indicate in your email whether you prefer an oral or a poster presentation.² If no preference is indicated, your presentation will most likely be assigned to a poster session. Final oral presentation selections will be decided by the technical organizing committee.

*This work conducted under the auspices....., if you have any. If not, then delete this line, and the asterisk at end of title.
